Nested clients love working with Juno

The team that was allocated to me for the selling and buying of my house were great, they kept me informed throughout. I would highly recommend them to anyone who wants to buy or sell their home.

Nigel Fairclough, **Jessica Grimes Nested client** buying and selling in Sandall

Juno's portal is fantastic simple to use and keeps you updated every step of the way. Communication via this portal is second to none. Somehow Juno managed to get us from offer to completion on our ongoing property within 8 weeks. Thanks team Luna 🙌🙌

How it works

We're focused on improving the most commonly seen types of conveyancing

We're focused on streamlining regular, freehold conveyancing transactions, and making those as smooth and fast as possible.

We also do **probate** and **Power of Attorney** sales and personal BTL purchases.

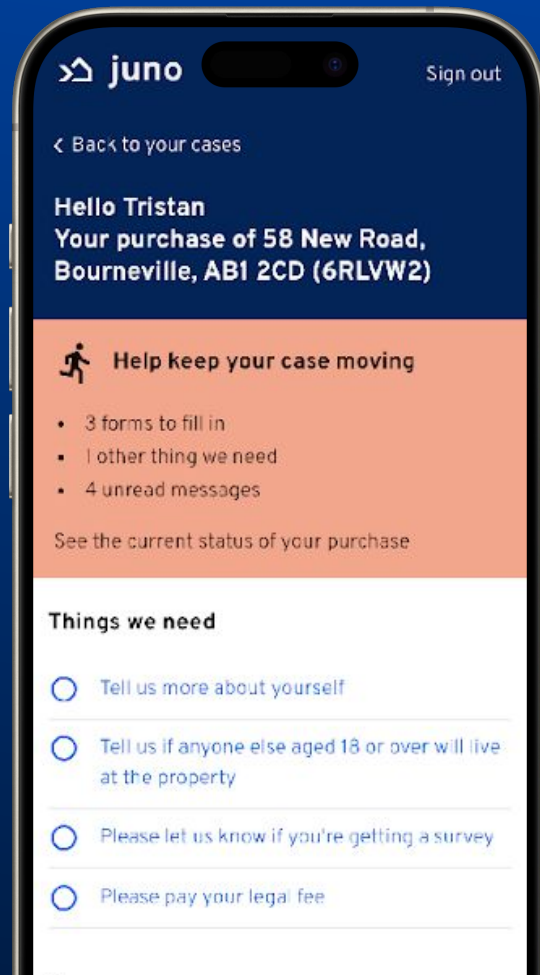

There are some transactions we don't currently handle – leasehold purchases, divorces, new builds, retirement homes, company purchase BTL, repossessions, and clients with money we can't verify (inc China, Hong Kong, Dubai, and UAE).

How clients interact with us

Clients get a simpler and clearer online experience

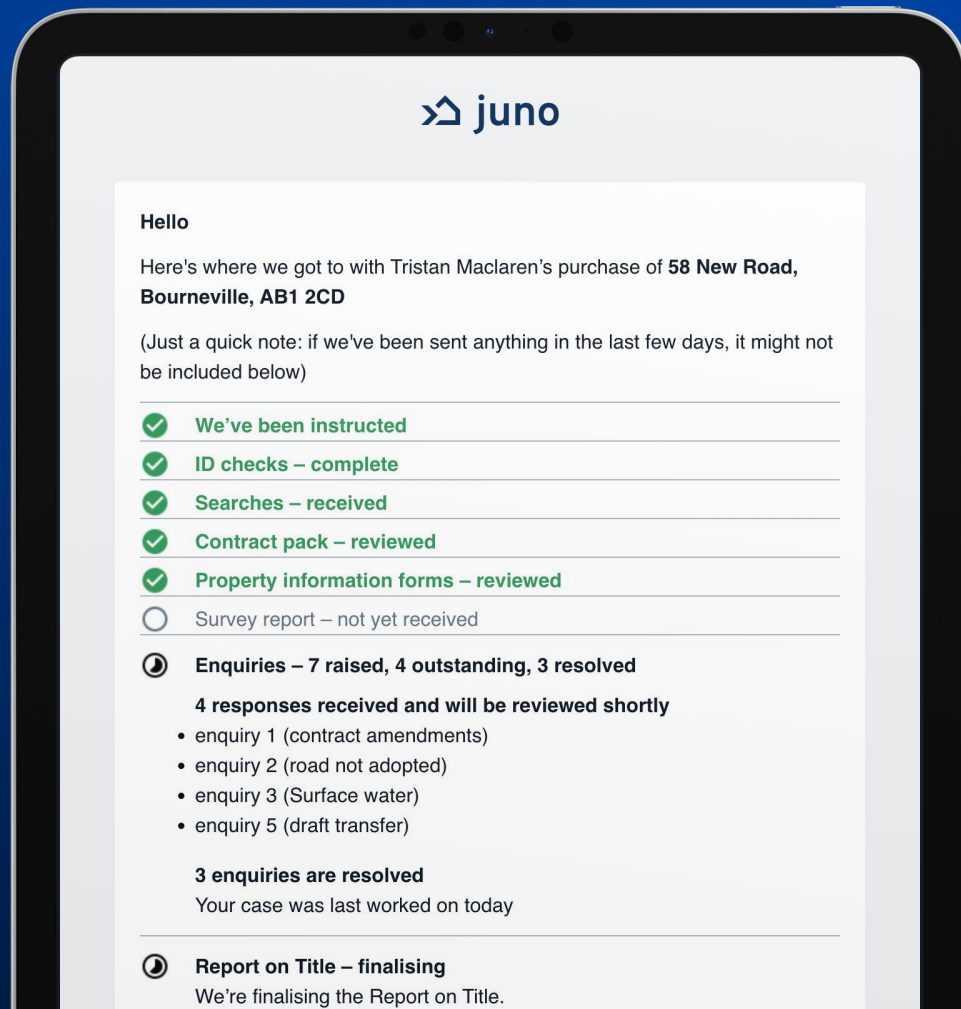

Sales progress faster when clients know exactly what's going on and can do everything online.

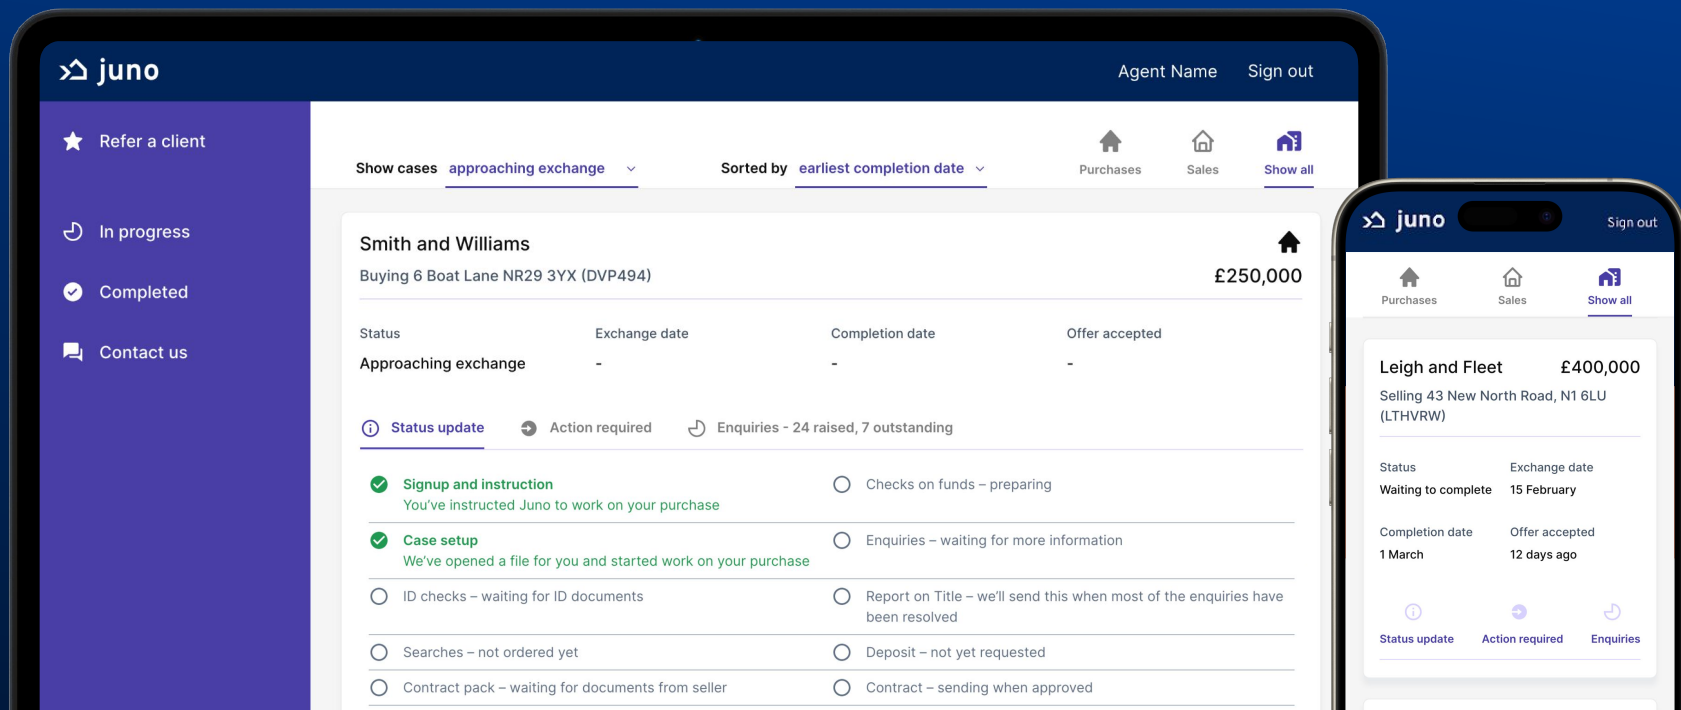

How we keep you up to date

Agents get detailed updates on each case twice a week

Updates sent by email to the estate agent on every case.

Agents can use our dashboard to view the real-time status of all their cases

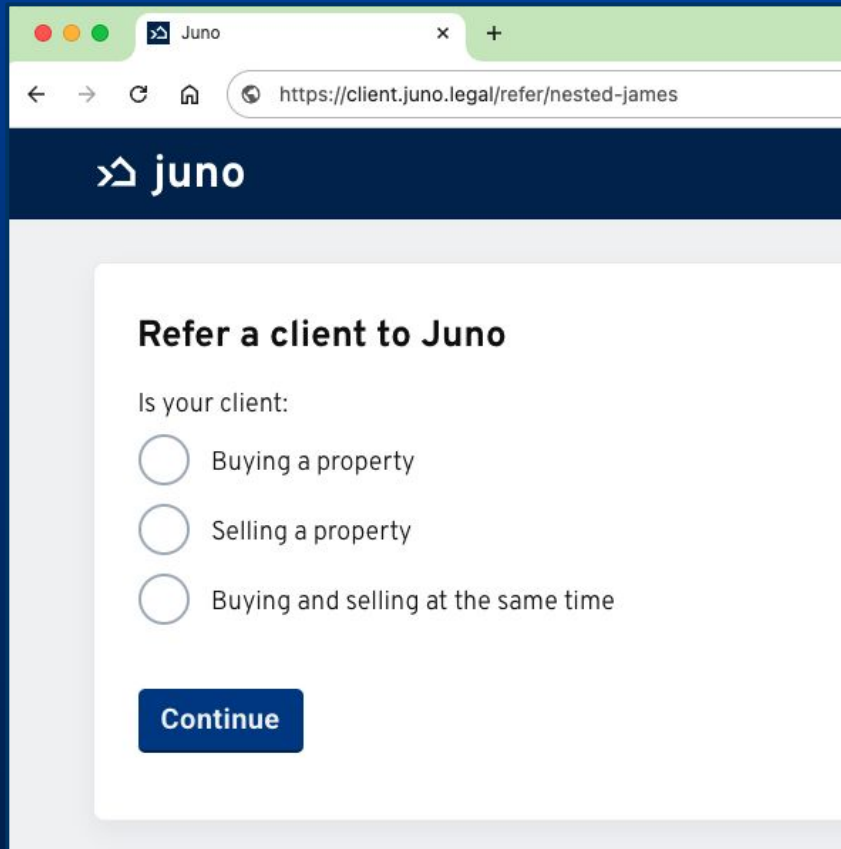

How to send vendor & purchaser referrals

You can use your referral link to send an immediate, exact quote and signup link to any client

We'll call every client within 15 minutes to answer any questions and walk them through sign-up.

A screenshot of a web browser showing the Juno referral form. The browser's address bar displays the URL "https://client.juno.legal/refer/nested-james". The page has a dark blue header with the Juno logo. The main content area is white and contains the heading "Refer a client to Juno". Below this, it asks "Is your client:" followed by three radio button options: "Buying a property", "Selling a property", and "Buying and selling at the same time". At the bottom of the form is a blue "Continue" button.
